Dear Mr. Matar:

In response to the Notice of Non Compliant Amendment (37 CFR 1.121) mailed November 1, 2005, please amend our response filed on October 18, 2005 in the Claims listing to comply with 37 CFR 1.121 as follows:

Please note: All other subjects mentioned in our response filed on October 18, 2005 are valid.

The current complete listing of the claims is as follows:

1. **(Withdrawn):** In a cellular network system, an add-on base station comprising: A. a first channel for connecting to a customer's phone; B. a second channel for connecting to a network; C. circuits for connecting the customer's phone to a destination on the network; and D. billing means for collecting a payment for services related to connecting the customer's phone to the network.
2. **(Withdrawn):** The base station according to claim 1, wherein the customer's phone is connected through a wireless link.
3. **(Withdrawn):** The base station according to claim 2, wherein the first channel further includes means for generating and receiving control signals as required to communicate with the wireless phone.
4. **(Withdrawn):** The base station according to claim 1, wherein the second channel
